TERRORISTS BUSY IN
SHANGHAI OVER SUNDAY

SHANGHAI, Feb. 3.—(UP)—A

bombing, a murder, a kidnapping and
a case of incendiarism threw the In-
ternational Settlement into turmoil
today as pro-Japanese terrorists re-
sumed their activities.

Terrorists threw bombs into two
Chinese government courts in the
settlement without causing casual-
ties.

Kling Hua-Ting, editor of the pro-
Chinese newspaper Shun-Pao, was
shot to death by an unidentified as-
sassin.

Li Tiao, an accountant, was kid-
naped.

Japanese gangsters commandeered
a taxicab, drove through a fence into
the Shanghai race course, and set fire
with gasoline to a large shed in which
a taxpayers' meeting was to be held
next Thursday. They exchanged
shots with Russian police of the set-
tlement force and escaped. Their
taxicab was burned, but the shed suf-

FIGHTING BREAKS OUT
IN FRENCH-INDO CHINA

BANGKOK, Siam, Feb. 3.—(UP)—
Fighting has broken out between
Thailand and French Indo-Chinese
forces along the frontier despite the
armistice and the peace negotiations
which are to start at Tokyo this
week, the high command said today.

It was alleged that French forces
attacked Thai forces at Kompat Sat-
urday afternoon and that though the
Thai troops counter-attacked and
threw back the French, the French
attacked again yesterday morning.

The high command said further
that the Thai and French forces had
not yet withdrawn to form a 12-mile
neutral zone between them, as pro-
vided by the armistice agreement.

Il Duce's Troops
Fail In Albania

ALL COUNTER-ATTACKS BY
ITALIANS REPULSED BY
GREEKS

ATHENS, Feb. 3.—(UP)—Action
on all fronts has slowed to attacks of
a "local character" after a week of
bitter, but unsuccessful counter-at-
tacking on the part of the Italians,
the Greek high command said today.

A 4,200-foot height on the central
front was the object of the Italian
drives. Twelve times they tried to
re-take it, and finally, on Saturday,
apparently gave up. There were
some air attacks on that day, but the
Greek high command called them
"unimportant and ineffectual."

Mary Merlin, United Press corre-
spondent on the Epirus front, report-
ed that the Greeks continued to ad-
vance above Kilsura, although their
advance was slowed by rains, snow
thaws, and heavy mists.

She estimated that during the past
three days, Italian casualties in dead,
wounded and prisoners totaled almost
half a division.

In that sector, Miss Merlin said,
the Italians, counter-attacking vio-
lently, made perfect targets for well-
hidden Greek snipers and artillery. In
one ravine, the Italians abandoned an
entire battery, complete with am-
munition.

The Greek submarine Panipolis
torpedoed an Italian transport of
10,000 tons off Brindisi on the night
of Jan. 28, the minister of marine an-
nounced. The ship was said to be
carrying troops and war supplies to
an Albanian port.

DUCHESS OF WINDSOR HAD
FACE LIFTED, IS REPORT

NEW YORK, Feb. 3.—(UP)—The

New York Daily News, quoting un-
identified friends, said in a copy-
righted article today that the
Duchess of Windsor had her face
lifted sometime between Christmas
and New Year's Day.

Dr. I. Daniel Shorel, a New York
plastic surgeon, who was said to
have performed the operation, could
not be reached.

The News said the operation was
performed at the Governor's mansion
at Nassau shortly after her dental
operation in Miami. The operation
removed wrinkles from her chin, but
did not touch her mole. Tiny scars
just under and behind the ears are
the only marks, and the Duchess'
coiffure hides them.

The city council will meet this
evening at 7:30 o'clock.

BUREAU OF CENSUS FIGURES REGARDING
CITY AND COUNTY ARE MADE PUBLIC

The Bureau of Census at Washing-
ton this afternoon released for pub-
lication tables of statistics pertaining
to Putnam county and Greencastle
businesses, taken from their recent
census of the entire United States.

They are of especial interest to stu-
dents of economics but they also have
an interest to the general public as
indications of what the business men
of this county and this city are ac-
complishing.

One table presents "stores and
sales by major business groups and
five separate kinds of business" and,
also, in another table, "stores, sales,
personnel and pay roll" in the same
area. The tables similarly cover,
also, the other counties of the state,
and other places of more than 2,500
population.

In Putnam county as a whole, the
census reports in the year 1939 a to-
tal of 305 stores. These 305 stores re-
ported, in 1939, a total sales volume
of \$4,739,000. Sixty of these stores
are in the food group, with an annual
business of \$1,000,000. Three were

"general stores," with a business of
\$35,000; 7 were in the general mer-
chandise group, with sales of \$363,-
000; 9 were apparel stores, having a
business of \$243,000; 8 were of the
furniture - household - radio group,
\$136,000; 15 were "automotive" in
character, with a business of \$605,-
000; 91 were filling stations, doing a
business in that year of \$726,000; 18
were lumber-building-hardware, in
character, doing a business of \$532,-
000.

There were 37 eating and drinking
places, \$272,000; 9 drug stores, \$153,-
000; 48 "other stores," \$696,000; 55
grocery combination stores, \$981,000;
5 hardware stores, \$61,000; 29 res-
taurants, other eating places, \$211,-
000; 5 liquor stores (packaged goods)
\$42,000; 17 feed, farm, garden sup-
plies stores, \$468,000.

GREAT BRITAIN
PREPARING FOR
GERMAN BLITZ

ATTEMPTED NAZI INVASION OF
ISLAND IS EXPECTED ANY
HOUR NOW

PUBLIC GETS GRIM ADVICE

British Householders, Work-
ers Warned That German Blitz May
Come At Any Moment

LONDON, Feb. 3 (UP)—Enemy
raiders dropped bombs on London
today before air raid wardens could
sound a warning.

LONDON, Feb. 3.—(UP)—Royal
Air Force planes attacked targets
in northwest France today.

The attacks were made by small
squadrons of British planes carrying
out an offensive patrol over the area
in which German invasion bases are
located.

The British planes, keeping a
watchdog eye on German prepara-
tions, dumped their bomb loads
shortly before dawn.

LONDON, Feb. 3.—(UP)—British
navy planes attacked Italy's big
island of Sardinia yesterday, the ad-
miralty announced today.

A brief admiralty communica-
tion said:

"On the morning of Sunday Feb. 2
naval swordfish aircraft carried out
a successful attack on one of the
main sources of power supply in Sar-
dinia. One of our aircraft is mis-
sing."

LONDON, Feb. 3.—(UP)—A wide
Royal Air Force sweep over the in-
vasion coast, advice to householders
on the defense of their homes and
towns and intensifying German re-
connaissance flights brought home to
Britons with increasing emphasis to-
day the possibility that they might
soon face the greatest test of courage
and fortitude in British history.

The best informed sources still
were doubtful whether Adolf Hitler
would essay the supreme gamble of
an attempt to invade the British
Isles. Nevertheless there were plain
signs that German activities were of
a sort which would precede such an
attempt and there was no doubt that
the government was making every
preparation.

More than 100 Spitfire and Hurri-
cane fighter planes in addition to
bombers took part in a week end
sweep of the invasion coast in which
invasion troop barges and docks at
Boulogne, one of the two most dan-
gerous invasion ports, were a prime
objective.

But the airdromes from which Ger-
man planes would take off to aid in
an invasion also were attacked, in-
cluding the important field near
Ostend.

The attack against the troop bar-
ges at Boulogne was especially heavy.
Those along the English shore in
the neighborhood of Folkestone heard
heavy explosions for hours yesterday
as the British planes bombed along
the invasion coast. Though the air
ministry said that only small forces
of British bombers were engaged, in
addition to well over 100 fighters,
Folkestone reports were that groups
of bombers, some escorted by fight-
ers, crossed over the coast toward
France for about four hours.

The air ministry said that three
German Messerschmidt planes were
shot down during the sweep. One
British plane was lost.

CANNON'S STORE ANNIVERSARY ON SATURDAY

The above scene shows a portion of the Cannon Store Saturday afternoon as many people crowded the interior to offer their congratulations to Mr. Cannon and the store personnel on their fiftieth anniversary. One of the big features of the observance was the decorations in cut flowers which were displayed throughout the store. They were the gifts of friends of the store.

Six Are Victims
In Weekend Toll

THREE PERSONS DIE IN INDI-
ANA OF GUNSHOT
WOUNDS

By United Press

Three persons died of gunshot
wounds over the weekend while Indi-
ana State police reported only two
traffic fatalities and one woman was
burned to death.

R. H. Young, 65, Hammond, was
held on charges of shooting his 21-
year-old son, Clarence, after a fight
in their home Saturday. Young told
police he fired after his son came
home intoxicated and knocked him to
the floor after being ordered from the
house.

An accidental discharge from a 20
gauge shotgun killed Alva Watkins,
19, Saturday, when he fell while tak-
ing up traplines on a farm near Port-
land. Charles Hedge, 65, was found
shot to death on a farm near Leb-
anon yesterday.

Henry E. Sharpe, route 1, Sellers-
burg, was killed Saturday in a traf-
fic accident on route 31 north of
Jeffersonville and Ronald Hadley, 5,
Junctionville, died Saturday of a broken
neck and a fractured skull after he
was struck by a truck.

Mrs. Daisy Albright, 31, died in a
fire in her home west of Shoals Sat-
urday when kerosene exploded as she
poured it on a fire.

JAPANESE PREMIER WOULD
SEIZE FOREIGN PROPERTY

TOKYO, Feb. 3.—(UP)—Prince
Fumimaro Konoye, premier, has de-
cided to ask Parliament for power
to seize and dispose of foreign owned
properties in Japan if necessary to
protect Japanese properties abroad,
it was reported today.

Newspapers said the finance min-
istry already had drafted a bill
which would give the government
this power by revising the foreign
exchange control laws.

The newspaper Yomiuri reported
that the government also would seek
power to take control of Japanese
properties abroad in order to have
them removed from countries in
which it was considered no longer
desirable to have Japanese capital.

It was added that the new powers
would be sought to cope with the
situation created by Japan's new al-
liance with Germany and Italy.

Increasing concern over the in-
ternational situation was empha-
sized today when chief of staff of all
the Japanese armies in China, start-
ed a two-day conference here today
under instructions of Gen. Hideki
Tojo, war minister, to insure max-
imum efficiency in the army through
strict enforcement of military dis-
cipline and improvement in the
health of individual soldiers.

MR. GROUNDHOG FAILED
TO SEE HIS SHADOW

According to tradition, if the
groundhog does not see his shadow
on February 2 an early spring is in-
dicated. This being the case, Green-
castle and community will soon be
hearing birds returning from the
South as Mr. Groundhog did not have
any sun yesterday and consequently
did not see his shadow. Otherwise,
a sunny day would have sent Mr.
Groundhog back into his hole for six
more weeks of winter, tradition as-
serts.

Italian Defeat
Looms In Africa

IL DUCE'S ENTIRE EAST AFRICAN
ARMY FACES
DISASTER

CAIRO, Feb. 3.—(UP)—British
forces have captured Barentu, in
Italian Eritrea, a general headquar-
ters' communique announced today.
The communique said the capture
was effected yesterday.

LONDON, Feb. 3.—(UP)—British
Empire forces are now threatening
Italy's entire East African army
with disaster in a merciless drive
from north and south supported by
increasing thousands of Ethiopian
warriors, it was reported today. The
Italian army is estimated to total
200,000 men.

Newspapers hailed the fall of
Agordat in Eritrea, and the ex-
pected fall of Barentu nearby, as the
beginning of the end of Benito Mus-
solini's shaky African Empire.

It was indicated that half the
Italian East African army, based on
Eritrea, was now in such position
that escape might be impossible, and
there were indications that British
and Ethiopian pressure was forcing
the withdrawal of Italians from out-
lying parts of western Ethiopia.

British and Indian troops who
captured Agordat, on the main rail-
road to Asmara, the Eritrean capital,
and Massawa, a big sea port, were
reported to have sent a flanking
column southward to attack the
Italian right wing at Barentu.

"I WAS ALMOST A GROUNDHOG," SAYS
FORMER PUTNAM COUNTY TREASURER

Henry Howard Runyan, former
treasurer of Putnam county and for-
mer trustee of Marion township, now
a citizen of Greencastle, remarked to
The Daily Banner reporter, Sunday,
"I almost was a groundhog." He re-
ferred to the fact that his birthday
anniversary occurs on February 3.

If it had come on the 2nd, Mr. Run-
yan intimated he might have claimed
an occult power in weather prognos-
tics similar to that claimed by
Mr. Groundhog. As it is, however,
he takes his weather as it comes,
without fussing and without worry-
ing much over the future, just as he
has taken the various events of the
more than four score years he has
lived. He is now in his 86th year.

At his home at 504 south Indiana
street, he sat at ease and talked of a
lifetime spent in Putnam county—
born in Jefferson township, a citizen
of Marion township many years, and
a resident of Greencastle city the last
26 years.

Mr. Runyan, as a youth, attended
the old Providence school, the struc-
ture standing yet but otherwise used,
across the road from the New Provi-
dence church which is a couple of
miles south of Mt. Meridian. He
farmed in Jefferson and also in Mar-
ion township and while he lived in
that township he was elected trustee,
serving one term of four years. Later,
in 1914, he was elected county treas-
urer, and had a four-year term in
that office. He moved his home to
Greencastle at the time of his elec-
tion to the county office and has re-
sided in that city ever since.

Mr. Runyan and Miss Alice Farmer
were married April 21, 1880. She is
the daughter of the late Thomas
Farmer, and she was born in the old
Farmer home on the National road,
not far from Westland. There is one
sister of Mr. Runyan living—Mrs.
Alice Shaw, whose husband was Oliv-
er Shaw, of Marion township. Mr.
and Mrs. Runyan have one son, Ross,
of Greencastle.

MANY PERSONS
CONGRATULATE
CANNON STORE

ABOUT FOUR THOUSAND VISIT
LOCAL CLOTHING FIRM ON
SATURDAY

FIFTIETH YEAR IN BUSINESS

J. F. Cannon Company Gave Flowers
To Ladies; Cigars, Pencils To
The Men

Approximately four thousand peo-
ple visited the J. F. Cannon and Co.
store Saturday to offer their con-
gratulations on the fiftieth anniver-
sary of the founding of that store.
About twelve representatives of
firms selling furnishings to Can-
non's were present in person during
the day. John Dietrich, the first cus-
tomer, was also there to offer his
congratulations in person.

Visitors crowded the store during
the entire day and up until ten
o'clock Saturday evening. Even at
that time there were a few strag-
gling in and some were looking at
the pictures in the windows at the
time it was necessary to turn off the
lights.

Everyone who came into the store
were given gardenias, pencils and
cigars. Many were unable to register
because the crowd around the table
was so large they could not reach
the book.

At noon a luncheon was served on
the balcony to representatives of the
various firms and employees of the
store.

In the registration book there
were people from as far away as
Memphis, Tenn., Cooperstown, New
York, Newport, Rhode Island, and
Detroit, Michigan. There were peo-
ple from every town in the county
and several from other cities in the
state.

The store was full of beautiful
flowers sent by various firms who
could not send a representative and
by local firms and business men. On
the balcony was a large floral piece
with the two dates on either side of
a large 50th anniversary sign. Bas-
kets and vases of flowers were placed
on all the counters and tables in
the entire store. All the employees,
were there during the entire day to
greet the visitors.

One feature of the luncheon was
a birthday cake bearing on the top
the words in gold "Cannon's Fiftieth
Anniversary."

Among the representatives here
were Floyd White, Indianapolis,
White Jewelry Co., Ike Lieberman,
Terre Haute, Griffon, Clothing Co.;
Joe Finley, Terre Haute, Levin
Brothers, Harry Linsay, Columbus,
Ind., Interwoven Stocking Co.; Wil-
liam Whitney, Indianapolis, Portia
Hat Company, Eddie Farrell, Chi-
cago, Mallory Hat Company; Andrew
Catterton, Indianapolis, Columbia
Shirt Company; and Robert Wallace,
Indianapolis, The Glover Company.

Many old timers visited the store
during Saturday and many of them
recalled buying this or that at the
opening fifty years ago. Among the
oldest was Mr. Cue. Others who
were in and recalled the first opening
were Will Irwin, who told of buying
an overcoat himself and also Ed
Hibben of Greencastle, Ill., his friend
bought one like it. Mrs. George Bus-
by said her husband bought his wed-
ding suit at the store as did George
Gibson, his wedding shirt some 35
years ago, and he still has the shirt.

Many others told of making purchas-
es at the opening and down through
the years, many telling of buying
their wearing apparel from this one
store throughout their lives.

death reigned from Adam to Moses,

that was to come.—Romans 5:14.

There are no tilts scheduled for Saturday night by the Putnam squads.

VICHY, France, Feb. 3.—(UP)—Pierre Laval may be restored to power in the Vichy government as president of an executive triumvirate under Marshal Henri Philippe Petain, it was reported today, as the result of negotiations started at Paris today with envoys of Adolf Hitler.

Alternatively, it was understood, he may be installed at Paris as the official liaison agent between the German government and Vichy.

Under the triumvirate plan, Laval would have as associates, Admiral Francois Darlan, navy minister, and Gen. Charles Huntzinger, war minister.

BUSY WEEK FACES STATE LEGISLATORS

INDIANAPOLIS, Feb. 3.—(UP)—Indiana's 150 legislators returned from a weekend of rest today prepared for renewal of their political tussle even in face of a rumored armistice.

The first new action was expected to come in the house over a Senate bill abolishing the already defunct democratic "two per cent club." Majority leader Frank Millis of Campbellsville indicated the debate on the bill probably would turn into a multi-slinging affair.

More serious business was scheduled in the Senate where majority leaders pointed for a quick drive to put two main platform bills—the McNutt reorganization repealer and the "big ripper"—to a final vote and send them to Governor Schricker.

Plans for a second meeting of majority leaders with Governor Schricker gave rise to a wave of compromise rumors which were strengthened by rumblings of discontent from within the Republican stronghold. Several GOP Senators and one or two influential majority representatives were reported to be wavering in their allegiance to the party.
